Hello Friends!

Welcome to The Docket Blog's 2022 Workwear Capsule Wardrobe – Fall Additions! These Spring Additions are the five essential pieces to add to your Classic Workwear Capsule Wardrobe to make 40+ more outfits!

These pieces are great to add in the Fall to keep your wardrobe fresh and on season. Make sure you have the Workwear Capsule Wardrobe and the Spring & Summer Additions to mix all these pieces with. They also work well if you just want to add some fun pieces for the season.

One big draw for a Workwear Capsule Wardrobe is that you can create a comprehensive wardrobe for work but still stick to your budget. When you add these fall additions it's easy to stick to your budget since there are only five pieces!

If you have any questions about this workwear wardrobe drop me a line at [katherine@thedocketblog.com](mailto:katherine@thedocketblog.com). I hope you find it as useful as I do!
