Workwear Capsule Wardrobe

The Docket Blog

I hope you're ready for the summer additions to The Docket's Workwear Capsule Wardrobe! With these additional five items you'll be able to create almost 100 more outfits to add to your 344+ outfits!

Adding all the outfits together from the Core Capsule, Spring and Summer additions we've got over 450 workwear outfits. We've got 90 weeks worth of workwear with the Fall Additions, that's a little less than two years of workwear outfits – only using 35 pieces of clothing! That doesn't include switching and changing your shoes!

A few things to remember when you're looking at these outfit ideas: these are only the outfits that involve one of the fall additions, you'll have to download the core workwear capsule wardrobe, the spring additions, and the summer additions to get those other outfits. Some of the pieces might be different colors than you picked, I picked a black and grey plaid blazer but perhaps you picked a brown and camel one. Maybe my blazer won't work with the spring dress I have but your tan would! If you have to switch up some outfits or pass on them entirely that's up to the colors in your closet.

If you have any questions about this workwear wardrobe drop me a line at katherine@thedocketblog.com. Don't forget to sign up for the Capsule Emails – I plan out your outfits for the entire month and you get to see the seasonal additions before everyone else to get a jump on your purchasing and outfit creating!
